The New Season & 2011 Summer Accumulator

Hello Club Members ... The atrocious weather of last season is now behind us and we can look forward to an exciting new season and hopefully some bumper catches.

The 2011 AGM was held at Kelling Heath Holiday Park on Saturday 26th March 2011 and a few things were agreed at the meeting ...

- Club membership for existing members remains at £15.
- Club membership for new members increases to £10.
- New members will be allowed to fish their first match free without paying membership to see if they want to join but will still have to pay match fees on the day.
- Match fees remain at only £2 but an extra levy of 50p has been introduced to boost club funds. The optional 50p meal fund contribution and access/parking charges still apply.
- All club matches will be to Defra size limits for bass (36cm), codling (35cm) and whiting (27cm) with all other species 18cm.
- The 3 point rule for undersize fish has been dropped except for juniors who will still be allowed to record 3 points for under size fish.
- Future fixture venues will be decided by the committee and it is intended to have a few more matches this season East of Weybourne. The committee will also decide if a match should be pegged or rover.
- This season the club will be entering teams in the sea Angler Clubman's League as well as the North Norfolk National Sea League.

The meeting elected its committee for 2011-2012 and those elected are detailed below.

The club held it's 2011 Presentation Evening after the AGM and all members had an excellent evening and meal. Details of trophy winners can be found on the club website.

We are now fully prepared for the season ahead so hopefully see you at the first match at Salthouse or shortly afterwards,

Regards,

Tony Thomas

Club, Chairman

Next Committee Meeting
(To be determined)

Help 4 Heroes

The first of the 3 qualifying events of the H4H series has been successfully completed at Felixstowe and the next at Dunwich is set to be a cracking match. If you are interested in participating this and/or the other H4H matches please to visit the website www.eastanglia-championships.com, click on each of the matches and please let Dene or one of the other organisers know which matches you intend to fish. This is a good cause and we would hope all club members will take part in at least one of these and hopefully show a strong representation at the final at Kings Lynn in June.
