### AGM & Election of Officers

Thank you to all members who attended the AGM on 18th March.

I am sure everyone will agree it was very productive. I would also like to take this opportunity to thank Wendy and Andy for their work and their continued support.

Club Matches and Opens along with rules have been updated for the coming season and Election of officers are as follows.

Chairman : Tony Chidwick

Secretary : Robert Ford

Club and Match Promoter : Dene Conway

Vice Chairman : John Neave

Treasurer : Dick Hawes

Committee Members : Richard Ives and Sam Attew

Cup and Peg Master : John Neave

The Club and Match Promoter is a new position and will work hand in hand with the Secretary.

### The Age Old Debate

With the age old debate of catch & release or catch & kill rearing its ugly head once again, I am very pleased to announce that an excellent solution was decided upon. We will be fishing catch & release to size limits and all members will have the option to record and release or weigh in at the scales making this an easy option for regulars and beginners alike. This system also does away with the need for pegging club matches and it is solely up to the discretion of the angler if they decide to keep any fish.

## Match Prices

Inflation has finally reached us and therefore an increase of 100% on club match fees will now mean £2 instead of £1 with winnings paid out down to fourth place.

"Half price  
fees for new  
members!!"

## Membership Fees 2008/2009

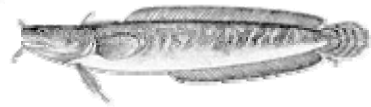

It was decided at the AGM that membership prices will remain the same for current members at £15 per year.

NEW MEMBERS will be eligible for a 50% reduction for their first year making it easier for them to "tryout" club fishing, this will hopefully encourage more members to join at the reduced rate of £7.50/1st year.

Junior Member fees will remain unchanged at £2.50 per year

## Club Website & Promo

We are now on the "tinternet"

Over the past couple of months we have set up an official club website ([www.holtseaanglingclub.com](http://www.holtseaanglingclub.com)) which shows all fixtures and venues, news about the club including its history, along with a picture gallery from recent open and club matches.

We will also be setting up a small discussion forum for those members that wish to use it. The website is part of an ongoing promotional campaign to increase our visibility within Norfolk and hopefully attract new members and swell the ranks for our open matches.

Along with the website, new brochures and posters have been produced and distributed in Hunstanton Tackle, Brights Tackle (Sheringham) and TeamSabre Tackle (Cromer).

We hope all members will contribute with the ongoing promo by giving out leaflets to friends, family and neighbors. Ideas and suggestions please ring Dene on 01362 668574.

## Roy Waller Memorial Trophy

With the recent passing of Roy Waller it was decided at the AGM that our Annual Open match this year will include the Roy Waller Memorial Trophy for club members only. It was agreed this would be a fitting tribute to a much respected club member.

"A tribute to a much respected club member"

## 2008/2009 SAMF TEAMS OF 5 EVENT

This event consists of a series of 6 matches fished on the 2nd Sunday of each month starting in October. The top team(s) will qualify for the National sea league final. 3 of the matches are to be fished in the North Norfolk area and 3 at Great Yarmouth and further south.

If anyone is interested in representing Holt Club in the teams of 5 competition please contact Tony Thomas 01263 822400

Next committee meeting : Tuesday 13 May 7.30pm
